Sir,

Sub;- States- Sandur- Merger- Compilation of Huzur Standing orders- Allowance discontinued from 1-9-49- Appeal petition of Sri. H.Basaiah -

Copy at p. 7 infra Ref;- G.O.Ms. No.3226 Pub(Pol) Department dated 20th.September 1949

***

I enclose herewith a petition from Sri.H.Basaiah, Finnacial Secretary to the Government of Sandur, appealing against the orders issued in my L.Dis.14017/49-S.1 dated 4-11-49 on his petition for reconsideration of the orders issued in the G.O.quoted above.

The grounds ofappeal put in by him are discussed below for favour of orders.

(a) He contends that the late Sandur Durbar granted him this allowance for the work connected with the compilation of Huzur Standing orders and Regulation and that its discontinuance on the ground that there is no further necessity to continue the compilation of these orders is erroneous, because, the maintenance of the said Huzur Orders and Regulations still continues. Though the Huzur standing orders and Regulations will be maintained or kept in the office records, there is no work for the appellant to justify the continuance of the allowance which was temporarily granted by the late regime.

** Copy at (A)

(b) The appellant refers to the orders issued in G.O.Ms.No.855 Public(Political) Department dated 26-3-49 and interprets the preamble as an assurance given to the State employees even in respect of continuance of such temporary allowances. He lays his claim on the assurance on the above G.O. that the Public Servants of Merged states should not be placed on less favourable terms and urges that the present order is a contravention of this assurance. I consider that the spirit of G.O.Ms.855 is not to bind the administration in such routine matters, but that it only lays out a general policy of the Government in regard to absorption of State servants.

The other grounds urged by him also relate to the same G.O.

In the circumstances, I consider that the orders issued in G.O.Ms. No.3236 Public(Political) Department need no revision and that the petitioner's appeal deserves no consideration.

I enclose herewith my office files (i) D.Dis.10460/49 dated 26-9-49 and L.Dis.14017/49-S.1 for reference and return.

No. Sdr 6/12 Dated

Through

The Collector, Bellary, and

The Special Officer i/c State Administration, Sandur.

Sir,

States - Sandur - Merger - Compilation of Huzur Standing Orders - Allowance - Discontinued from 1-9-49 - appeal against the orders of the Collector, Bellary.

I submit this my appeal petition against the orders of the Collector of Bellary, passed in his L. Dis.14017/49 S.1, dated 4-11-49, refusing to countenance my request to reconsider the orders passed by him in his D.Dis.10460/49 dated 26-9-49 discontinuing the compilation allowance of Rs.10/- per month with effect from 1-9-49. The grounds for the present appeal are obvious and are given below for the kind consideration of the Government.

(a) The late Sandur Lurbar had graciously granted me alone with others an allowance of Rs.10/- per month for the work connected with the compilation of Huzur Standing orders and Regulations. I was drawing the said allowance since 1944 and this has been discontinued with effect from 1-9-49 for the reason that there is no necessity for such compilation in future. This contention is erroneous as the necessity for the maintenance of the said Huzur Orders and Regulations still continues and references to them in the day to day administration are essential.

(b) The Government of Madras in their Order No.Ms.855 Public (Political) Department dated 26-3-49, in the preamble to the order have reiterated the assurances given to the Rulers of the merged States by the Government of India, with regard to the service conditions of the public servants in the merged States and guaranteed that they shall be scrupulously observed both in letter and spirit. The preamble further lays stress that the public servants should not be placed on less favourable terms,

who may have no option but to accept [illegible] career and that every effort should be [illegible] talents as are available. [illegible] is in clear contravention of this principle laid down by the Government themselves.

(c) The late Sanad [illegible] persons among the employees for the [illegible] allowances. The maintenance of the [illegible] allowance ought also to continue until the necessity [illegible] said maintenance continues or until regular [illegible] staff. The spirit of the sanction [illegible] amble of the above quoted order is violated [illegible] the allowances granted for [illegible].

(d) Attention is also invited to [illegible] lary instructions of the same Government [illegible] servants, may draw only the pre-merger [illegible] ances until they get themselves qualified [illegible] in the Provincial services. Here again [illegible] against is in contravention of the instructions.

2. I submit that I have already [illegible] petition dated 8-10-49 to the Collector [illegible] ance would have been continued and eventually got merged into pay in the ordinary circumstances and [illegible] due to the stoppage of the allowance [illegible] circumstances.

3. I therefore pray that the Government [illegible] be kind enough to review this petition, consider the guarantee given and pass orders to [illegible] allowance, I was drawing during the pre-merger period.

With reference to the above, I beg to submit as follows:

The compilation allowance was sanctioned to me by the erstwhile Government of Sandur for getting Government orders and Huzur Standing Orders compiled. It was paid more in the nature of a compensatiory allowance to alleviate certain disparities in the scales of pay rather than as special pay for additional work. This allowance was expected to continue for sometime and would have been absorbed into pay by an advance increment had the erstwhile Government of Sandur continued to function.

Two days after the administration of Sandur was taken over by the Madras Government, I interviewed Sri K.N.Anantaraman, the then Collector of Bellary and Administrator of Sandur State and he congratulated me and said that it was very lucky that I was the first officer of the State to continue my functions under the Dominion Government. During the interview, he assured me that I would continue to get the scales of pay and allowances that I was then getting till I was absorbed into the Dominion Service in a higher post. His words gave me real assurance and encouragement.

The Government order quoted supra depriving me of the allowance came to me as a surprise. Owing to the change in the administrative set up much of the old type of work is disappearing and work of a new type is being entrusted to and is being shouldered by the State subordinates. Some of the State subordinates may have had practically no work during the period of suspense and it would be really hard if their emoluments are to be mutilated. In certain cases, the work has really increased without any corresponding increase in the emoluments. Further, it is no fault of

5/12

Government servant that the work is [illegible] do not think it is ever the intention [illegible] the emoluments of a servant [illegible] fault of his. Permit me to say, Sir, that it appears to [illegible] very unfair if allowances are to be taken [illegible] there is corresponding work in the new set up [illegible] of absorption of these servants into the [illegible] allowances stopped are negligible but [illegible] that all the more especially because [illegible] of those erstwhile co-workers who retired [illegible] service on handsome pensions practically [illegible] who are being continued in the duty to [illegible] their original pay in as much as those [illegible] both pension and pay. Besides it hits us [illegible] and as irony would have it, we have to [illegible] we have been loyal to the Pakistan Government.

Taking into consideration [illegible], I request you, Sir, to kindly submit this representation [illegible] able consideration of the Government, [illegible] kept unmutilated till [illegible] absorbed in [illegible] decent footing. I earnestly request [illegible] considered favourably at [illegible].

According to G.O.Ms.No.3226 Pub. (Poll.), d/20-9-49, the payment of Rs.20/- p.m. sanctioned by the late Sandur Durbar in 1944 for the compilation of Huzur Standing Orders, Sandur laws and regulations was ordered to be discontinued with effect from 1-9-49 as there was no necessity for such compilation in future.. Sri H. Basiah, Financial Secy. to Govt. and Treasury Officer, Sandur who was getting an allowance of Rs.10/- p.m. was affected by the orders issued in the said G.O. and he appealed to the Collector to reconsider his case and grant him the special allowance of Rs.10/- on the ground that it was paid by the late Sandur Durbar more in the nature of compensatory allowance to alleviate certain disparities in the scales of pay rather than as special pay for additional work. He also contended that in view of the arduous nature of work that he is attending to, the special allowances should be continued. The Collector has disposed of his appeal in L.Dis.14017/49-S.1, dated 4-11-49 by stating that his request cannot be granted. Against this order, Sri H. Basiah has now appealed to Govt. His representation at pp.3-4 C.f. and the remarks of the Collr. on p.1 C.f. may be perused.

p. 5-6 c.

on p. 5 c.

x p. 9 c.

p. p. 3-4 c.

The main points raised by the petitioner are dealt with below:-

(1) that the stoppage of payment of special allowan of Rs.10/- sanctioned by the late Sandur Durbar on the ground that there is no necessity for the compilation of Huzur Orders is erroneous, and that the necessity for their maintenance still continues.

on p. 3 c.

(2) that in accordance with the assurances given in G.O.Ms.No.855 Pub.(Poll.), d/26-3-1949, he should be given the special allowance which would finally be merged in his pay, ~~and that it should be continued till he is absorbed in the Madras Govt. services.~~

Item (1) above: The late Govt. of Sandur sanctioned a sum of Rs.20 p.m. in 1944 with a view to bring the manuals and the compilation of Huzur Standing Orders upto-date. In 1946, the allowance was ordered to be paid to the head of the Huzur Treasury section i.e. the treasury officer with effect from 17-7-46. This has been equally apportioned between the Treasury Officer and the Treasury Assistant at Rs.10/- each per month. The Special Officer, Sandur has reported that the said persons were drawing the allowance as special pay since 17-7-1946. As there was no necessity for the compilation of the Huzur Orders, etc., the Government ordered the discontinuance of the payment of Rs.20/- p.m. with effect from 1-9-1949. There seems to be no case for the grant of special pay to the petitioner as requested by him.

Item (2) above: Sri H. Basaiah has not so far been absorbed under this Govt. Proposals for the absorption of the Sandur State Staff are under consideration in the deptts. of the Sectt. concerned. According to G.O.Ms.No.855 Pub.(Poll.), d/24-3-49, the petitioner is entitled to pre-merger rates of pay and allowances till he is regularly absorbed. The point for consideration is whether the allowance of Rs.10/- which he was getting prior to merger has to be treated as special pay and continued till he is absorbed. The Govt. of India guarantees that the State servants should be absorbed on conditions which will not be less advantageous than those which they were receiving before the merger. It may be pointed out in this connection that as the petitioner

is

is no longer in charge of compilation of the Huzur orders, etc., he is not ordinarily entitled to the special pay of Rs.10/-.

Revenue and Finance may see for remarks.

The Case relates to the appeal petition of Sri. H. Basaiah, Financial Secretary to the Government of Sandur and Treasury officer Sandur to revise the orders issued in G.O. 3226 Pub (Pon) dated 20.9.49 and to grant him the Spl. pay of Rs. 10/- which he was getting since 17.7.46 and which was stopped from 1.9.49. ~~The applicant~~

Pub (Pon) do not see any reason for revising the orders issued in G.O. 3226 Pub (Pon) dated 20.9.49 as there is no necessity for the same

The Special pay was sanctioned by the late Govt of Sandur vide G.O. 44 with a view to bring the manuscript and the compilation of Huzur Standing orders up to date. The Spl pay was shared in equal proportions from 17-7-46 by the Treasury officer and the Treasury Assistant. The compilation of the Huzur orders etc having been stopped the Spl pay was also discontinued from 1.9.49.

Pub ~~Pol~~ division see any reason to recommend the orders sanctioning the discontinuance of the Spl pay. This department agrees with Pub(P) No remarks are called for on the question of absorption of ~~the~~ Sri Basaiah as Revenue ~~Overseer~~ peon. We propose to await the orders of Govt on the question of taking disciplinary action against the officer.

Subject to orders, a draft memo is submitted for approval.
